PRINCIPAL’S REPORT

Our students were very happy earlier this week to find a beautiful bright red bubbler located at the front of the admin building. Thanks to Sam Gillespie who installed it and a huge thumbs up to the P&C who purchased the bubbler with funds donated from Cadia. There were very long lines at break times due to the water "tasting so much better than the old bubbler".

Congratulations to Alex Andrews who gained Highly Commended at the recent CWA Public Speaking Competition. This is a very challenging competition and all our representatives did us proud.

The following students have been selected to compete at the Orange District Athletics Carnival in Week 10; Kallum Bouffler, Jackson Goldie, Jack Stubbs, Jackson Wright, Jade Harding and Bonnie Keegan. Teachers are in the process of drafting reports. These will be sent home in the last week of term along with portfolios. Students are reminded to return red folders ASAP as these are required for work samples and assessment tasks.

New carpet has been laid in the 4-6 classroom and that completes the maintenance schedule for this year. It is expected that the new classroom will be ready next week for our students to move in to.

**Pull-tag tins Safety Alert:** Last week we had a student cut his hand quite deeply on a metal tuna tin with a pull tag. These tags are difficult for children to pull back. For the safety of students we request that tins be left at home and contents put in a plastic container.

CONGRATULATIONS

Well done to Bonnie Keegan, Jackson Wright and Eva Keegan who represented OSSA at the Orange District PSSA Cross Country Trials at Molong. They all received a placing and will now go on to compete at the Western PSSA Cross Country Trials at Geurie on 10 June.
